SUBJECT: Modifications to the Telecommunications & User Fees Filing System

On July 1, 2011, the California Public Utilities Commission will release modifications to the Telecommunications & User Fees Filing System (TUFFS). Beginning with the June 2011 filing period, in addition to many other changes, TUFFS will now offer the following features:

- The automatic calculation of the late payment interest penalty
- The ability to individually adjust reported surcharge amounts
- Access to individual months payment and reporting details

The California Public Utilities Commission will host a WebEx information session on June 15, 2011 from 1:00-2:00 pm, which will address the many changes to TUFFS. Carriers are strongly urged to participate as this will be the only live presentation opportunity.

To join the online meeting:

1. Go to <http://www.cpuc.ca.gov/PUC/telco/infosession>
2. Follow the instructions on the page
